SUPPLEMENTAL AMENDMENT

Sir:

The accompanying Declaration and remarks are presented as a supplement to the Amendment filed June 12, 2006 in response to the Final Office Action dated October 12, 2005.

The recitation of the amendments to claims 1, 15 and 22 (to overcome the cited prior art and place these claims in condition for allowance) are the same as in the Amendment filed June 12, 2006 since Applicants have not been informed that the amendments to the above claims have been entered. New Claims 28 to 31 have been previously added in the Amendment filed June 12, 2006. Thus, it is believed that no new fees are due and owing for new Claims 28 to 31. No new matter has been added.
